Cc: Donna Martis
Subject: Hazen & Sawyer - Loxahatchee FL project

Hi Sheri,

I talked to Ben Stanford at Hazen. His preference is to have all crypto samples for each event together on a single batch, and the corresponding CEC samples subbing to Monrovia on a separate batch together.

Can you please separate the EDC/PPCP/Hormone Small Volume Screen from batch 356516 onto a new batch. I will add comments to the remaining 6 orders.

1/26

Thanks,

Joe
